

What you need to know about Overdrafts and Overdraft Fees

An **overdraft** occurs when you do not have enough money in your account to cover a transaction, but we pay it anyway. We can cover your overdraft in two different ways:

1. We have **standard overdraft practices** that come with your account.
2. We also offer **overdraft protection plans**, such as a personal line of credit, which may be less expensive than our standard overdraft practices. To learn more, ask us about these plans.

This notice explains our **standard overdraft practices**.

WHAT ARE THE STANDARD OVERDRAFT PRACTICES THAT COME WITH MY ACCOUNT?

We **do** authorize and pay overdrafts for the following types of transactions:

- * Checks and other transactions made using your checking account number
- * Automatic bill payments

We do not authorize and pay overdrafts for the following types of transactions unless you ask us to (see below):

- * ATM transactions
- * Everyday Debit Card transactions

We pay overdrafts at our discretion, which means we **do not guarantee** that we will always authorize and pay any type of transaction. If we do **not** authorize and pay an overdraft, your transaction will be declined.

WHAT FEES WILL BE CHARGED IF STOCK YARDS BANK PAYS MY OVERDRAFT?

Under our Standard Overdraft Practices:

- * We will charge you a fee of \$36 each time we pay an overdraft (up to six per day).
- * Also, if your account is overdrawn after 11 consecutive business days, we will charge an additional \$6 per day
- * There is no limit on the total fees we can charge you for overdrawing your account
