Workstation Upgrade Instructions

Delete Browsing History

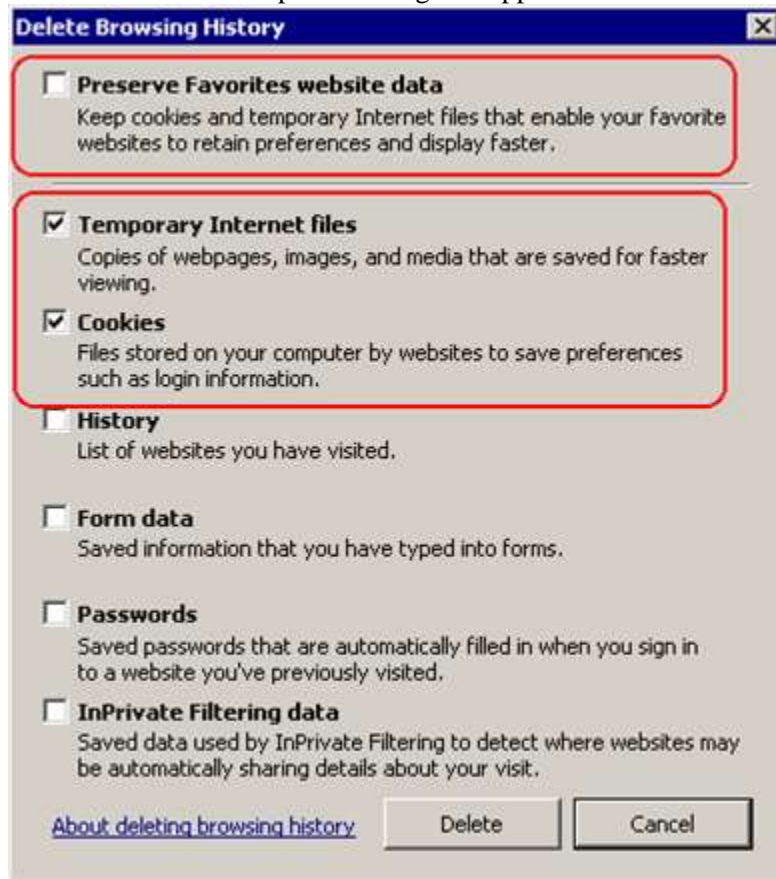

Complete steps 1 through 9 to delete browsing history from Internet Explorer.

1. Log on to the workstation as a user with administrative rights.
2. Open Internet Explorer.
3. On the **Tools** menu, select **Internet Options**. The Internet Options dialog box appears.
4. Click the **General** tab.
5. In the Browsing history section, click **Delete**. The Delete Browsing History dialog box appears.

6. Clear the **Preserve Favorites website data** check box.
7. Select the **Temporary Internet files** and **Cookies** check boxes.

8. Click **Delete**. The Internet Options dialog box appears.

9. Click **OK**.

10. Close out and restart your Web Browser.
